The Red River Technology Center does not discriminate on the basis of race, color, national origin, sex/gender, age, veteran status or qualified disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations. For special accommodations, contact the counselor at 580-255-2903, ext. 230. Visit www.rrtc.edu for graduation rates, median student debt and more information.
Today’s auto body technician is a skilled professional with expertise in complex automotive systems and the modern materials used in today’s automobiles.

Using a variety of modern equipment, students will learn the basic skills necessary to return damaged cars and trucks to original showroom quality.

Students will gain hands-on experience in frame work, panel replacement, paint systems, and damage estimation.

Program is ASE Certified in non-structural analysis and damage repair and painting and refinishing, and NATEF Certified.

For information call 580-255-2903 or 888-607-2446 Ext. 247 or visit us on-line at www.rrtc.edu
