

Line of Duty Scholarship

Who is eligible?

Anyone who meets the following criteria:

- Children of Oklahoma peace officers who have given their lives in the line of duty
- Children of Oklahoma firefighters who have given their lives in the line of duty
- Children of Oklahoma emergency medical technicians who have given their lives in the line of duty
- Children of members of the Oklahoma Law Enforcement Retirement System who have given their lives in the line of duty, or whose disability is by means of personal and traumatic injury of a catastrophic nature and occurred in the line of duty

**The scholarship shall be limited to a period of five (5) years.*

What is the scholarship worth?

- The scholarship amount will not exceed the cost of tuition per year for full-time or part-time attendance, nor would the amount exceed the actual cost of tuition for a single program. The scholarship does not cover the entire cost of the Practical Nursing program but may be applied, with the student owing the remaining balance.

Red River Technology Center does not discriminate on the basis of race, color, national origin, sex/gender, age, veteran status or qualified disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations. For special accommodations, contact the counselor at 580-255-2903, ext. 230. Visit www.rrtc.edu for graduation rates, median student debt and more information. DRUG FREE WORKPLACE

Next Step Scholarship

Who is eligible?

Anyone who meets the following criteria:

- Attend a full-time program
- Have a high school diploma or a high school equivalency diploma
- Be within two years of high school graduation
- OR -
- Be actively pursuing an alternative diploma and be within two years of when your graduating class finished high school

**Actively pursuing indicates that the student is participating in Adult Education classes, registered to take the GED Exam and/or passed the exam within the two year time frame allowed for the tuition scholarship.*

How do I keep the scholarship?

- Maintain at least a B average
- Maintain at least 90 percent attendance
- Make satisfactory progress in the program by passing competencies at designated times

What is the scholarship worth?

- The scholarship amount will not exceed the cost of tuition per year for full-time or part-time attendance, nor would the amount exceed the actual cost of tuition for a single program. The scholarship does not cover the entire cost of the Practical Nursing program but may be applied, with the student owing the remaining balance.

RED RIVER DAYTIME CAREER PATHWAYS

Auto Collision -ASE Certified

Acquire the skills necessary to restore damaged vehicles to their original showroom quality.

Auto Service -ASE Certified

Learn the mechanics of repairing problem cars. Learn electronic systems, engine performance, brakes and heating and air conditioning.

Business Information Technology

Learn the latest software on up-to-date equipment and specialize in your choice of career pathways.

Residential Construction

Learn the tools and techniques used in residential construction. These students build a house from the ground up.

Computer-Aided Drafting

Draw precise plans on the computer for mechanical parts or architectural design.

Electronics

Learn to troubleshoot and repair problems with electronic circuits that run computers and control everything from automobiles to pacemakers.

Health Careers Certification

Prepare for a wide range of health careers through classroom and laboratory experiences.

Residential Air Conditioning Technician

Learn climate control for residential and commercial buildings. Students acquire skills to repair and maintain climate control systems.

Practical Nursing

Accredited by the National League for Nursing Accrediting Commission and the Oklahoma Board of Nursing, this 12 month full-time program prepares students for a career in the nursing field.

CNC Machining

Students acquire the technical skills needed to run milling machines, lathes, and CNC (Computer Numerically Controlled) equipment.

Welding and Metal Fabrication

Prepares students for a career in this fast growing industry. Course covers safety, shielded metal arc, gas metal arc and gas tungsten arc welding.

For additional information, contact the Red River Technology Center counselor at 580-255-2903, ext. 230.

Students who receive the Next Step Scholarship may still qualify for financial aid. For more information on Financial Aid, call 580-255-2903, ext. 269.
