Address, if different from student:	Email Address:
-------------------------------------	----------------

Schedule Options: Morning only (8:20 – 11:05) Afternoon only (12:05 – 2:55) Either

Reason for schedule option selected:

Parent/Guardian Release:
 I have read the information about the Biomedical Science Academy and I would like my student to be considered for enrollment. By signing below, I give permission for my student's high school to provide any educational records needed to the Academy Selection Committee as part of the application process.

I understand that science is a hands-on laboratory class. My student will be doing many laboratory activities which may require the use of hazardous chemicals and/or the operation of equipment. Safety is always the primary concern therefore my student will not be allowed to participate in laboratory work until safety training has been completed and all requirements have been met.
