Emergency Medical Services

The EMS program prepares students to work in emergency medical health care services as an Emergency Medical Responder (EMR), or Emergency Medical Technician (EMT). Upon completion of training, students may be eligible to test for an EMR/EMT license after just one year. Students then have the opportunity to apply to continue the training necessary to become a Paramedic.

Local Program Offerings

- Emergency Medical Responder (EMR)
- Emergency Medical Technician (EMT)
- Paramedic

Student Organization

Students enrolled in the Emergency Medical Services program are encouraged to participate in the HOSA - Future Health Professionals student organization.

HOSA activities include: Leadership, community service, and state and national competitive events.

Applicant Criteria to Enroll

- Be a high school senior in good standing or an adult with a high school diploma or equivalent.
- Present an ACT Reading Comprehension Score prior to the beginning of class. (This test may be available at RRTC.)
- Be 18 years of age by March 1, 2021.
- Sign an Affidavit of Lawful Presence verifying United States citizenship.
- Provide proof of identification with some form of state/federal identification and a social security card.
- Pass an OSBI background check and have no felony convictions.
- Participate in orientation and complete all paperwork required.
- Be able to lift, bend, climb, stoop, carry at least 50 pounds, and sign a release of liability.
- Provide documentation of vaccinations including: MMR, Negative PPD, Tetanus, Varicella history, HEP B (or sign a waiver to omit).
- Maintain 85 percent attendance in class and 100 percent attendance while completing EMS clinical field experience.
- Pass all skills with 100 percent accuracy.
- Students will be required to wear a RRTC embroidered polo shirt, and black or white duty shoes (solid leather, no mesh).
- Licensure requires students to pass State and National EMS written and skills exam.
